Nan-ning, 26 June -- Construction of the Nan-ning to Chen-nan-kuan section of the Kwangsi-Viet Nam railroad is expected to be completed in July 1951.

The Canton Branch of the Heng-yang Railroad Control Bureau, which is responsible for this construction work, received orders from the Central People's government in June 1951 to strip the second track of the Canton--San-shui line between Shih-wei-t'ang and Fo-shan, and use the rails for completion of the remaining portion of the section. The rails, ties, and other railroad-construction material which were kept at Huang-p'u, near Canton, to be used on the line are also being rushed to Nan-ning to speed completion of this section.
